

1. Copy the map on p. 45 and fill in the legend below. Upper Canada is already marked for you.

Upper Canada	Alaska/Russian Territory
Lower Canada	Northwestern Territory
Newfoundland	Nova Scotia
Rupert's Land	PEI
Oregon Territory	NB

2. Define the following:
- Colony
 - Upper Canada
 - Lower Canada
 - Métis
- How had Upper Canada changed after the end of the War of 1812?
 - What was happening in Lower Canada at the same time?
 - What was the economy of the Maritime colonies based on? Who were their two biggest trade partners?
 - Who controlled the Rupert's Land? What fur trading company was its major competitor?
 - Name three different ways that Aboriginal people suffered from European settlement as the colonies grew?
 - Why did fur traders want to prevent settlers from expanding further west?
