

PowerPoint Project 1 – Seven Elements of Culture (Taino, Maya & Aztec)

Assignment:

1. Each student will create a PowerPoint presentation using the Internet to do your research for the following three groups of people: the **Taino, Maya & Aztec**.
2. Title page – needs you name, project name, date and a picture for the background image.
3. The PowerPoint presentation will cover the **Seven Elements of Culture** for each of these civilizations. Have a description and pictures that fit the element of culture for that civilization. Check your notes for help if you forgot the elements of culture.

ELEMENTS OF CULTURE

- Culture
 - All things that make up a person's way of life.
- 7 Elements
 - Social Organization
 - Customs & Traditions
 - Language
 - Arts & Literature
 - Religion
 - Forms of Government
 - Economic System

The slide features a blue background with a white hand graphic where the fingers and palm are filled with various national flags from different countries.
