

PowerPoint Project 3 – Seven Elements of Culture (Huron/Wendat & Iroquois/Haudenosaunee)

Assignment:

1. Each student will create a PowerPoint presentation using the Internet to do your research for the following three groups of people: the **Huron & Iroquois**.
2. Title page – needs you name, project name, date and a picture for the background image.
3. The PowerPoint presentation will cover the **Seven Elements of Culture** for each of these civilizations. Have a description and pictures that fit the element of culture for that civilization. Check your notes for help if you forgot the elements of culture.

Seven elements of culture:

Social organization

Customs & traditions

Language

Arts & Literature

Religion

Forms of government

Economic systems
