## Taino PowerPoint

Create a power point presentation about the Taino people and their seven elements of culture:

1. Social organization
2. Customs and traditions
3. Language
4. Arts & Literature
5. Forms of Government
6. Religion
7. Economic Systems

Use the Internet to find the information and pictures for a title page, all seven elements and the last page is for the sources/websites that you used to find the info.

Think about if you were in the audience watching this presentation and take time to make this look good.
